**The Parents of Universal Performers foundation** is a non-profit organization dedicated to creating, fostering, and encouraging the Performing Arts at Mission San Jose High School. PUPs was formed in 1992 as an off-shoot of Mission Boosters. The foundation has grown into a private entity that supports the instrumental music, vocal music, and theater programs of the high school community. Over these years PUPs has supplemented the meager budget of the Performing Arts curriculum with items such as scholarship opportunities, professional clinicians, coaches, theatrical equipment, musical instruments, and uniforms. Your donations will help continue the long-standing tradition of support of the arts at Mission San Jose High School. The performing arts are an essential and underfunded part of education that provides our young people with an important creative outlet. PUPs' mission cannot be completed without your generous contributions.
